Secure Your Brand-New Home on 371sqm with Luxury Inclusions & Exceptional Value

This is more than just a house and land package — it's the chance to secure a brand-new lifestyle in one of Sydney's fastest-growing communities on a generous 371sqm registered block, ready for you to build without the uncertainty of waiting for land registration.

Designed for modern families, first home buyers, and smart investors, this home combines premium inclusions, functional design, and long-term value into one complete opportunity. From the moment you step inside, the 2.7m high ceilings on both levels create a sense of openness and luxury rarely found in this price range. Every detail has been carefully selected to deliver comfort, style, and practicality for everyday living.

The heart of the home is a beautifully appointed designer kitchen featuring a 40mm stone benchtop with waterfall edges, soft-close cabinetry, premium appliances, externally ducted rangehood, and a spacious butler's pantry — creating a space that feels both elegant and highly functional for entertaining and family living.

The bathrooms continue the premium feel with floor-to-ceiling tiling, custom wall-hung vanities, semi-frameless shower screens, and quality finishes throughout, giving the home a sophisticated hotel-inspired touch.
